

# FINANCE

Board Member 2026 - 2027

## Humasol?

Humasol is a **student-led nonprofit** that envisions a future where renewable energy, clean water and **sustainable technology** are **accessible to everyone**. Together with partners abroad, we **design and realise projects** that directly benefit communities in Asia, Africa and South America. Projects range from water purification and renewable energy to biodigesters, recycling, sustainable construction and more. The SDGs and **social impact** are at the **core of our work**.

## Finance?

As a member of this working group, you help ensure that Humasol remains **financially healthy** and that its **resources are managed responsibly**. You **oversee the accounts**, prepare **invoices**, and record expenses in the **accounting platform**. You manage sponsorship agreements, submit subsidy applications to universities, and collaborate closely with the Corporate Relations Manager. At the end of the year, you prepare Humasol's annual **financial report**.

## Why join?

- Contribute to the execution of meaningful development projects in Asia, Africa and South America
- Gain **valuable, CV-boosting experience**
- Develop **practical financial** and **budgeting skills**
- Strengthen your **presentation and communication skills**
- Participate in engaging activities (teambuilding weekend, quiz, panel discussions, etc.)
