

HUMAN RESOURCES

Board Member 2026 - 2027

Humasol?

Humasol is a **student-led nonprofit** that envisions a future where renewable energy, clean water and **sustainable technology** are **accessible to everyone**. Together with partners abroad, we **design and realise projects** that directly benefit communities in Asia, Africa and South America. Projects range from water purification and renewable energy to biodigesters, recycling, sustainable construction and more. The SDGs and **social impact** are at the **core of our work**.

Human Resources?

As a member of the Human Resources working group, you **organize internal activities** such as the Humasol weekend, taking care of both the practical arrangements and the program. Besides that, you help shape the future of Humasol by **recruiting motivated members and project students**. You evaluate applications, conduct selection interviews, and **represent Humasol** at schools, information fairs, and internship events **to attract new talent**. Throughout the year, you also act as a **confidential advisor within the organization**, monitoring team dynamics and ensuring members feel supported and satisfied.
