

WEBMASTER

Board Member 2026 - 2027

Humasol?

Humasol is a **student-led nonprofit** that envisions a future where renewable energy, clean water and **sustainable technology** are **accessible to everyone**. Together with partners abroad, we **design and realise projects** that directly benefit communities in Asia, Africa and South America. Projects range from water purification and renewable energy to biodigesters, recycling, sustainable construction and more. The SDGs and **social impact** are at the **core of our work**.

Web Master?

As a Webmaster within the Communications working group, you are responsible for **developing and maintaining Humasol's website**. You **lead the redesign of the website** in consultation with the Board of Directors, giving it a more professional look, and keep it up to date using WordPress. You also **evaluate and optimize the use of digital tools** such as Slack and Google G-suite to ensure Humasol makes the most of its IT infrastructure.

We are looking for **someone with solid IT knowledge** and **experience with Wix**, or the **willingness to learn**. A **proactive mindset** is key.

Why join?

- Contribute to the execution of meaningful development projects by supporting Humasol's activities
- Gain **valuable, CV-boosting experience**
- Strengthen your **IT and communication skills**
- **High level of autonomy**, embedded in a motivated team with a great group atmosphere

How to apply?

- Submit a complete application file, including:
 - **A motivation letter**
 - **A detailed CV**
- Send your application to:
 - recruitingleuven@humasol.be (for Leuven students)
 - recruitinggent@humasol.be (for Ghent students)
 - recruitingantwerpen@humasol.be (for Antwerp students)
- **Application deadline: August 31, 2026**
- Based on your application, you may be invited for an exploratory interview
