

# CORPORATE RELATIONS

Board Member 2026 - 2027

## Humasol?

Humasol is a **student-led nonprofit** that envisions a future where renewable energy, clean water and **sustainable technology** are **accessible to everyone**. Together with partners abroad, we **design and realise projects** that directly benefit communities in Asia, Africa and South America. Projects range from water purification and renewable energy to biodigesters, recycling, sustainable construction and more. The SDGs and **social impact** are at the **core of our work**.

## Corporate Relations?

As a member of the Corporate Relations working group, you help **secure financial and strategic support for Humasol**. You look for new **company partnerships**, prepare **grant applications** to institutions such as the Flemish Government, the European Commission, and KU Leuven, and **represent Humasol to its financial partners**. You also maintain and strengthen relationships with existing partners such as Umicore and Atlas Copco.

## Why join?

- Contribute to the execution of meaningful development projects in Asia, Africa and South America
- Gain **valuable, CV-boosting experience**
- Develop **practical skills** and **financial insight**
- Strengthen your **presentation and communication skills**
- **Connect with companies** that are active in different technical domains and international solidarity
- Join a motivated team with a great group atmosphere
