

COMMUNICATION

Board Member 2026 - 2027

Humasol?

Humasol is a **student-led nonprofit** that envisions a future where renewable energy, clean water and **sustainable technology** are **accessible to everyone**. Together with partners abroad, we **design and realise projects** that directly benefit communities in Asia, Africa and South America. Projects range from water purification and renewable energy to biodigesters, recycling, sustainable construction and more. The SDGs and **social impact** are at the **core of our work**.

Communication?

As a member of the Communications working group, you **strengthen** both **Humasol's internal coordination** and its **external visibility**. You ensure the **smooth use of internal communication tools** such as Slack and Google Drive, and support members in using these platforms efficiently. You set up **promotional campaigns** for events, **design** flyers and other materials, and **manage our social media channels**, including LinkedIn, Facebook, and Instagram. You are also responsible for the content of our **website** and communicate with partners about events such as the yearbook and project presentations.

Why join?

- Contribute to the execution of meaningful development projects by supporting Humasol's activities
- Gain **valuable, CV-boosting experience**
- Insight into the **marketing** of a medium-sized organisation
- Strengthen your **presentation and communication skills**
- Join a motivated team with a great group atmosphere

How to apply?

- Submit a complete application file, including:
 - **A motivation letter**
 - **A detailed CV**
- Send your application to:
 - recruitingleuven@humasol.be (for Leuven students)
 - recruitinggent@humasol.be (for Ghent students)
 - recruitingantwerpen@humasol.be (for Antwerp students)
- **Application deadline: August 31, 2026**
- Based on your application, you may be invited for an exploratory interview
