

PUBLIC RELATIONS

Board Member 2026 - 2027

Humasol?

Humasol is a **student-led nonprofit** that envisions a future where renewable energy, clean water and **sustainable technology** are **accessible to everyone**. Together with partners abroad, we **design and realise projects** that directly benefit communities in Asia, Africa and South America. Projects range from water purification and renewable energy to biodigesters, recycling, sustainable construction and more. The SDGs and **social impact** are at the **core of our work**.

Public Relations?

As a member of the Public Relations working group, you **strengthen Humasol's visibility by organizing and supporting events**. You **coordinate internal activities** such as the Humasol Happening, taking care of practical arrangements, contacting speakers, booking venues, and organizing receptions. You also **represent Humasol at external events**, such as those organized by 11.11.11 and initiatives around World Water Day, where you **raise awareness about our mission** and identify potential partners for future projects.

Why join?

- Contribute to the execution of meaningful development projects by supporting Humasol's activities
- Gain **valuable, CV-boosting experience**
- Develop **skills in event management**
- Strengthen your **presentation and communication skills**
- **Connect with organisations** that are active in international solidarity and different technical domains
- Join a motivated team with a great group atmosphere
